The reference to additional tax/understatement penalty in this notice of assessment depends upon the circumstances.

(i) If additional tax was imposed before the commencement date of the Tax Administration Act (TAA) then an adjustment to that additional tax may be made by an assessment issued in terms of the TAA after the commencement date of the TAA.

(ii) An assessment issued after the date of commencement of the TAA, in respect of any period that preceded the commencement date of the TAA, may be subject to the imposition of an Understatement Penalty in terms of the TAA as an "understatement" is considered to be a continuing act or omission in terms of the TAA

(iii) An assessment issued after the commencement date of the TAA, for a period that commences after the commencement date of the TAA, may include the levy of an Understatement Penalty.

The amounts of income included and deductions allowed in calculating this assessment is reflected below. It is very important that you verify these to ensure that:

1. The amounts are correct
2. All your taxable income and allowable deductions for the year are reflected

If you are of the view that this assessment is not correct, please file a tax return that is full and true on or before the gazetted date to request SARS to issue a reduced or additional assessment. Your obligation to pay any amount due is not suspended regardless of whether you choose to submit a return or not. If you are unable to submit a true and full return, you may request SARS to extend the period within which the return may be submitted on or before the gazetted date.

Sincerely
